

SEA S.A.L.T. SPEECH & LANGUAGE THERAPY

Community Newsletter - Woonona Launch Edition

Open now in Woonona!

We are thrilled to announce the launch of our new location in Woonona! We're excited to bring our family-centred and neurodiverse-affirming speech and language therapy services to the Woonona and the Northern Illawarra community. We look forward to supporting children and families in the area.

Here's what this means for you:

- Reduced wait times
- More school-based support
- Local early intervention
- Community partnerships

We are dedicated to providing timely access to quality speech and language therapy. Our new Woonona location will help us better serve families in the Northern Illawarra suburbs, reducing wait times for assessments and therapy sessions. We are excited to partner with local schools and community organisations to provide comprehensive support to children and families. Our focus is on early intervention to maximise positive outcomes.

Best Practice Spotlight

- Early identification
- Natural-environment therapy
- Parent & educator coaching

Our approach is **neurodiverse-affirming** and **evidence-based**. We believe in celebrating the unique strengths and abilities of every child, creating a supportive and inclusive environment where they can thrive. We use the latest research and best practices to guide our therapy, ensuring that our interventions are effective and tailored to meet the individual needs of each child.

Framework Changes

NDIS Changes:

- Functional needs focus
- Stronger evidence requirements
- Early intervention outside NDIS

- Health funds and Medicare plans also accepted

Community Partnerships

We are committed to working closely with our community partners to provide comprehensive support to children and families. We collaborate with:

- GP's and Paediatricians
- Pre- Schools and Schools
- Allied Health Professionals
- Parents

Meet the Team

Our team of experienced speech pathologists is dedicated to providing high-quality, evidence-based therapy to children and families. With 35+ years of combined experience, we are passionate about helping children reach their full potential. We believe in creating a supportive and collaborative environment where children and families feel empowered to achieve their goals.
